1	https://www.ufo-networks.org/	On the top row, there are 2 "Sign In" and 2 "Get Started" hyperlinks, I suggest that we keep just 1 "Sign In" and remove the other 3.	
2	https://www.ufo-networks.org/	The distinctive formatting that was on "Get Started" should be transferred to "Vouchers"	

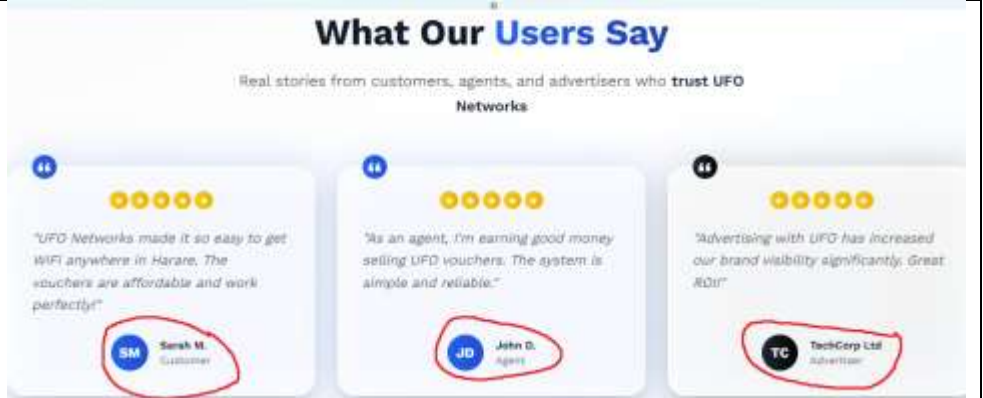

3	https://www.ufo-networks.org/	"Anywhere" and "across Zimbabwe" should be replaced with "at our UFO WIFI Hotspots"	
---	---	---	---

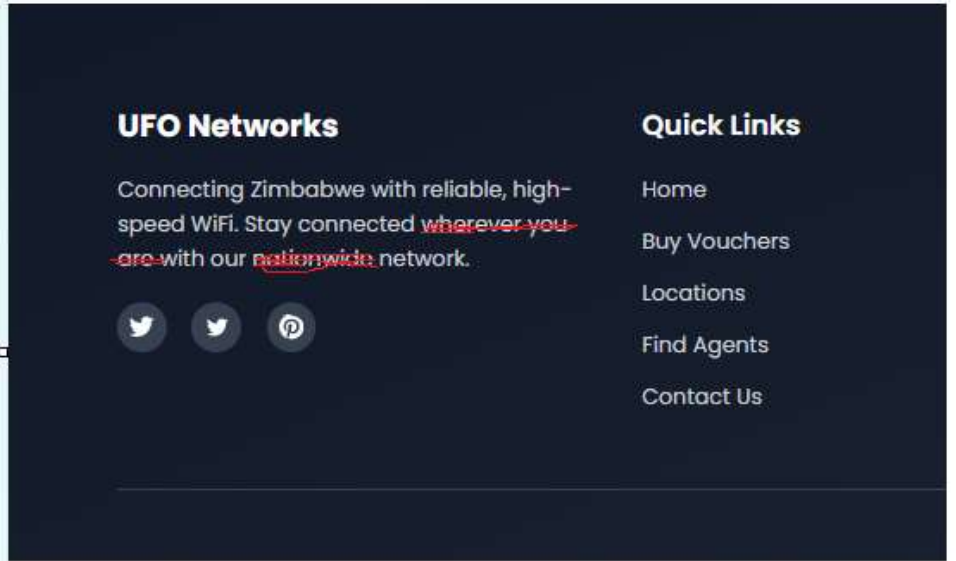

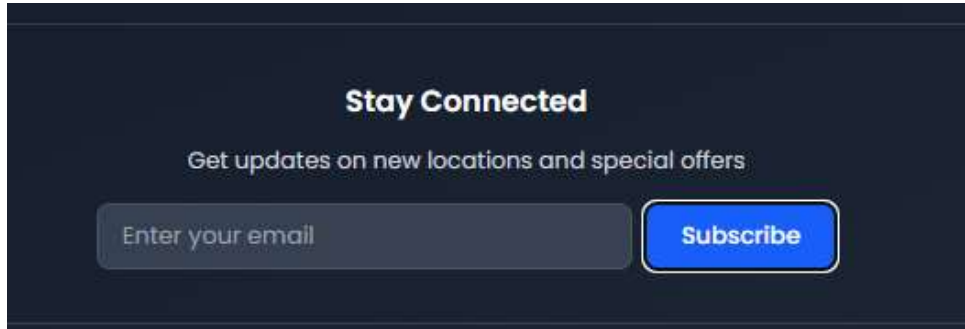

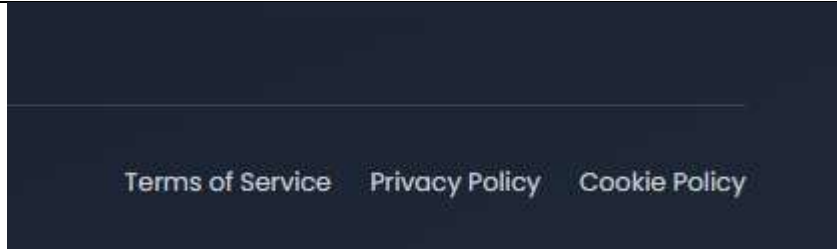

4	https://www.ufo-networks.org/	Step 3 on the For Customers Section should read as “ Connect to UFO WIFI using password ‘12345678’ and then input the Voucher Number to access Internet ”

5	https://www.ufo-networks.org/	Formatting on the “For Advertisers” section should match formatting on the other 2 sections.

7	https://www.ufo-networks.org/	Given that our coverage of the country is not yet diversified, you may omit the Network Coverage section for now.
